Join us for our annual winter hitting and pitching clinics! These clinics are designed for players aged 8 to 17 that are of all skill levels. Through a series of drills and techniques, our goal is to provide a solid skill foundation for younger players and to increase the level of play for advanced players. There will be a 1:2 instructor to athlete ratio in the hitting sessions and a 1:3 ratio for the pitchers. We will do our best to separate the athletes by age and skill level.

Clinics will be held at the University at Albany Gyms and Bubble on Sunday, **January 22, January 29, February 5** and **February 12** at the times below. Pitching and hitting clinics are separate from each other and you may register for both clinics.
