## **CAMP DIRECTORS**

### **Alex Kasarov**

#### **Head Men's Tennis Coach**

Alex Kasarov was named Monmouth Men's Tennis Head Coach in September 2016. Kasarov joined the Blue & White following stints as an assistant with the Davidson College men's team and the Northwestern University women's team. Prior to his time at Northwestern, Kasarov was a private tennis coach where he worked with top nationally-ranked junior players. During his collegiate career, Kasarov was a key member on the Wisconsin Badgers' men's tennis team, competing at the No. 1 spot in both singles and doubles for three straight years. He was a team captain in 2004 and earned All-Big Ten honors. In addition, Kasarov earned team MVP honors that year and was the recipient of the Wisconsin Big Ten Sportsmanship Award. Nationally, Kasarov was ranked as high as eighth in doubles during his career.

### **Michael Schwartz**

#### **Assistant Men's Tennis Coach**

Michael Schwartz joined the Hawks as assistant men's tennis coach in the 2011-12 season. In 2015-16 season Schwartz assisted in leading the Hawks to the MAAC Conference Title and an automatic bid into the NCAA tournament. A first for the Monmouth University Men's Tennis Team. Schwartz' tennis career started at the University of Alabama. In his senior season of 1966, Schwartz had his best year for the Crimson Tide, achieving a record of 20-6, while being named Honorable Mention All-SEC. Schwartz' coaching career began as he volunteered coaching for his alma mater, DeWitt Clinton, an inner city Bronx High School. Schwartz helped to lead Clinton to three PSAL Playoff seasons. He then transferred his coaching skills to another Bronx school, John F. Kennedy, where he helped to coach JFK to the 2011 PSAL Championship, beating an elite Manhattan school. He stated, "Winning the Title is great, but making an impact on these kids lives, is an even better reward!"

## **ABOUT THE CAMP**

The camp is geared towards players of all levels from beginner to advanced players. Each day campers will be separated into small groups and given instruction covering a variety of skills and concepts.
