

GOLF PAWS

Clemson Golf Paws was formed to provide an unrestricted fund for Clemson Golf. Every year additional needs arise outside the Clemson Golf program's budget that, if met, could help give the team a winning edge. With your support of Clemson Golf Paws, coaches can meet these needs in an effort to help recruit the best players to Clemson and provide them with the tools that help them achieve their highest level of play. By joining Clemson Golf Paws, you will ensure the clubhouse, practice facilities and other important recruiting tools are at their very best.
