## AUBURN 74, OKLAHOMA 70 DECEMBER 21, 2016 • POSTGAME QUOTES

### **OKLAHOMA HEAD COACH LON KRUGER**

#### **On playing without senior guard Jordan Woodard:**

"You'd always rather have him that not, but when that happens other guys have to step up. Some did, but I thought Auburn outplayed us pretty badly in the first half, but we battled a little bit better in the second half. We dug a pretty good hole, so we have to keep working at it."

#### **On his team's shot selection:**

"I thought our shot selection was kind of just okay shots. We maybe could have made another pass or two. I thought we shot it a little bit quickly. We didn't quite shoot them to make them as much as shoot them to get them off, and that resulted in a not very good percentage."

#### **On where his team is at as far as progression:**

"We'd like to be a lot further along. We knew this would be a work in progress, but still you'd like to be a lot further along. We're doing some things better, but we have a lot of things to work on."
