We want give your swimmers summer season a boost or help get them geared up for high school season.

## CHECK OUT OUR NEW FORMAT FOR 2017!

This year the Phoenix Swim Camp has expanded to a new five-day format! In addition to covering the four strokes with daily discussion sessions, we also demonstrate and instill proper technique through specific drills to help achieve peak form. The two-hour water sessions, packed full of individual instruction, follow a slower pace that allow key details to be emphasized and rehearsed. Over the course of the week, we also teach the most up-to-date starts, turns and breakouts. We like to wrap up camp with a little fun to bring it home! ☺

**GB Phoenix** student-athletes will be coaching our camp, along with the college team's coaching staff.
