Philosophy

The Will Brown Basketball Camp is committed to developing fundamental skills and a broad understanding of the game.

The camp works to improve skills through individual instruction, drills, lectures and games. Our goal is to lead campers to develop their own basic skills. Fundamentals of passing, dribbling and shooting, as well as both individual and team offensive and defensive strategies will be covered by the camp staff.

Speaking of staff, each year the Great Danes’ coaching staff teams up with some of the area’s finest coaches and players to offer each camper the opportunity to learn the game from some of the area’s best.

We value and place a strong emphasis on sportsmanship for all of our campers. Any unsportsmanlike behavior towards other campers and/or coaches will be dealt with accordingly by the Camp Director and Camp Owner.
